SUMMARY

Software Developer with 2+ years of hands-on experience in building web applications. Strong problem-solving skills, attention to detail, and a passion for clean, maintainable code. Comfortable working in Agile teams and learning new technologies quickly.

EXPERIENCE

Front-End Developer

NovaTech Solutions

June 2023 — Present

- Developed responsive UI components using React and TypeScript.

- Collaborated with the backend team to integrate REST APIs.

- Improved application performance by optimizing rendering logic (up to +25%).

- Participated in code reviews and contributed to UI/UX improvements.

Junior Web Developer

DigitalWave Agency

April 2022 — May 2023

- Created landing pages and small web apps using HTML, SCSS, and JavaScript.

- Maintained and updated client websites.

- Implemented basic animations and interactive UI elements.

- Assisted senior developers with debugging and testing tasks.

EDUCATION

Bachelor's Degree in Computer Science

Kyiv Technical University

2021 — 2025 (in progress)

- Completed courses: Algorithms & Data Structures, Databases, Web Development, Software Engineering.
